Table 4B **California Statewide HMO & Special Programs Enrollment Study for
March 2006, Statewide Plan Ranking by Enrollment by Lines of Business**

-
- (1) Commercial Enrollment data provided by the Plans directly for March 2006. One large plan did not submit data in time for inclusion in the survey.
 - (2) Medi-Cal Enrollment obtained from Department of Health Services' Monthly Report for March 2006.
 - (3) Medicare Eligibles and Medicare HMO Enrollees obtained from CMS Quarterly Report, except that 1) PACE lives were obtained directly from the 4 PACE Contractors: AltaMed Health Services, Center for Elders Independence, On Lok Senior Health Services & Sutter Senior Care, and 2) in 2006 CMS did not report either eligibles or enrollees; consequently, the figures from December, 2005 were used, and then scaled to correspond to DMHC quarterly reports of March 2006. Medicare/Medi-Cal Eligibles are counted within Medi-Cal Eligibles and excluded from Medicare Eligibles. In addition, identified Medicare/Medi-Cal Enrollees in health plans are counted within Medi-Cal Enrollment and excluded from Medicare Enrollment.
 - (4) Healthy Families Enrollment obtained from Major Risk Medical Insurance Board's Monthly Report for March 2006. MRMIB was unable to provide an estimate of eligibles.
 - (5) Medi-Cal Eligibles obtained from Department of Health Services' Reports, December 2006.
 - (6) Commercial Eligibles were calculated using Department of Finance's January 2006 estimates published May 2006; and then subtracting the Medi-Cal and Medicare Eligibles.
