NUMBER OF ACTIVE PLANS FOR A SPECIFIC YEAR	61	50	46	43	42	41	41		

(1) All Lines of Business are:

Commercial Enrollment - (includes standard large & small group, individual, point-of-service, AIM, MRMIB, capitated ASO, Cal-Kids, & Healthy Kids) provided by the Plans directly for the Months of March or from Department of Managed Health Care's Quarterly Reports.

Medi-Cal Enrollment - obtained from Department of Health Services' Monthly Reports for March of each year.

AltaMed Health Services, Center for Elders Independence, On Lok Senior Health Services & Sutter Senior Care. Medicare/Medi-Cal Eligibles are counted within Medi-Cal Eligibles and excluded from Medicare Eligibles. In addition, identified Medicare/Medi-Cal Enrollees in health plans are counted within Medi-Cal Enrollment and excluded from Medicare Enrollment.

Healthy Families Enrollment - obtained from Major Risk Medical Insurance Board.

(2) Medicare and Medi-Cal Eligibles were obtained from CMS and Department of Health Services respectively for March of each year. The California population estimates are from Department of Finance's January estimates published May of each year. In 2006 CMS did not report eligibles; consequently, the figures from December, 2005 were used, and then scaled to correspond to DMHC quarterly reports of March 2006.
